Following the Yellow Brick Road to SAP S/4 HANA

15 March 2016
Tim Bower
George Wilson
It is not a simple journey

Many changes…

- Hardware
- Software
- Database
- Data
- Processes
- UI
- Modules
- Customisations - Toto
- People
A Changing Landscape

Sales  BW  Warehouse
Finance
Manu  HR  Logistics

Simple Finance  Simple Logistics

Data Migration

SAP

S/4HANA
The Risks

“If this doesn’t work, we’re dead. Dead in the water.”

Hasso Plattner, Chairman of the Supervisory Board of SAP

What is the worst that can happen?

Nothing works

At best?

Significant disruption to the business
Keys to Success

- Plan
- Manage
- Measure
- Automate
- Communicate
- Repeat
Planning, Communication and Documentation

- HANA
- Finance
- Logistics
- HCM
- SOP
